* Cattle pound- Bellary Cantonment- appointment of a sweeper.

Owing to the abolition of the Bellary Cantonment from 1-7-1950, the management of the cattle pound within its limits was taken over by the revenue department and the reddy of Cowl Bazaar appointed pound keeper. The pound was in disrepair at that time and the fines realized did not then warrant the entertainment of a sweeper on a fixed salary.

2. The pound has since been repaired. The receipts of the pound have been gradually increasing as can be seen from the figures of the last 3 months noted in the margin

	Fines	surplus sale proceeds.
June 1951.	Rs.15-6-0	
July ,,	79-6-0	11-10-0
August ,,	62-1-0	8-5-0

There is only one taliari working under the reddi of Cowl Bazaar and the pound is at a distance of 2 miles from Cowl Bazaar. The attendant besides attending to sweeping has to bring water to the impounded cattle from a well half a mile distant from the pound and watch the pound and inform the pound keeper about the cattle impounded. The

The Tahsildar reports that the taliari cannot do the work and that a paid ~~xxxxxx~~ sweeper must be entertained. The receipts being now ample it is the obviously correct course. I therefore request the Board to accord sanction to the entertainment of a sweeper on Rs.5 per mensem as in the case of other 5 cattle pounds in Bellary Town.

Pound - Cattle- Cantonment- Sweeper- appointment.

Ref:- Board's Ref. C.No. 6535/31-1 dated 28-8-1931.

The receipts of the pound at Cantonment during the month of September-October and November 1931 are as follows:-

September 1931. Rs.81-9-0

October ,, 94-14-0

November ,, 84-8-0

A statement showing the receipts in the other 5 pounds in Bellary town from March 1930 to February 1931 is also enclosed.

2. The pay of Sweepers at Rs.6 per mensem was sanctioned in 1891, 1896 and 1916 in B.P.Nos.2504 Mis. dated 14.[illegible], 563 Mis. dated 4-3-1896 and 2223 Mis. dated 22-6-1916. The Sweepers represented in 1920 that their pay may be raised on account of high prices of food stuffs and the Board of Revenue was pleased to sanction a monthly pay of Rs.5 per Sweeper in B.P.Ms.No. 1048/Routine dated 8-7-1920 ordering at the same time the number of Pound Sweepers from six to five.

3. The price of food stuffs having now fallen I would reduce the pay of all the Sweepers to Rs.4 and pay the new Sweeper Rs. [illegible]. Thereby there will thus be a saving of one rupee a month. The pay should, I consider, go back

but not to the old rate since the cost of living is still higher than it was; it should go back to something intermediate between the old rate and the new; and these sweepers may come under this general rule of retrenchment.

To A.S

Please see the Collector's reports at ff. 1-2 c/f and 5-6 c/f. His second report shows the receipts of the pounds, and the authority sanctioning the pay of the sweepers in the other 5 pounds in Bellary town. Apparently, no objection is likely to attend to the work receiving only the manure collected in commission in lots as contemplated in Art 121 S. 2 C, & please see para 1 of the Tahsildar's report of 3.6.31 to at f. 2 of (C).

In the circumstances stated, the pay of the existing 5 sweepers may be reduced from Rs 5 to Rs 4, and the pay of the new sweeper for the Cantonment pound may be fixed at Rs 4 instead of at Rs 5 as proposed in the first letter of the Collector. The proposals result in a saving of Rupee One a month.
